

Greg the video gamer.

Greg plays video games and is interested in new mods for his games.

Sophie the girl nerd

"I'm am no man!"

She is 20 years old. Accountant. Living in San Diego California. She likes Pacific Rim, anime, video games, and Pikachu.

She wants to find new mods or games to play on her games.

She comes to see if there any good mods for her to try out and play.

She enjoys watching the videos because the person on the video makes her laugh by doing silly things. Also she

feels like she has more knowledge than before on what mods she can use.

Fred the video game journalist

He is looking for new talent to help him start his own channel or even join his team.
